"Heidi" To Brighten The Holiday Season

Adding to the holiday spirit in Antioch will be the special children's play, "Heidi", to be presented at the PM&L Theatre two week ends early in December.

"Heidi" played to a large and appreciative audience at Mundelein High School last Saturday morning. It will be presented Saturday and Sunday, Dec. 2 and 3, at 2:30 p.m. at the PM&L Theatre in Antioch. The play will be presented again Saturday, Dec. 9, at 2:30 p.m. and Sunday, Dec. 10, at 7:30 p.m.

Heidi is one of the happiest characters to present to children. The play depicts her as a winning and personable little girl who is full of fun and mischief, but whose

influence is nevertheless wholesome and good.

Heidi is directed by Mrs. Josef Hunley. The cast of the play represents a wide area. Dr. Al Ramsay is from Duck Lake; Dave Bushnell, Lake Villa; Dan Saliba, Antioch; Dee D'Isa, Waukegan; Carrie Lou Shapard, Grayslake; Pam Hunley, Antioch; Mary Beth Vaughn, Grayslake; Shirley Jensen, Antioch; Bill Gaa, Bobby Hunley, Elda Minger and Garnet Oddsen are also from Antioch.

More Antioch persons in the cast are Mary Palaske, Kathy Walpole, Henry Apostol and Lou Parker.

Reservations for Heidi can be made by calling 395-3613.

37 Parents Tour ACHS

Thirty-seven interested parents took advantage of the opportunity to tour Antioch Community High School during National Education Week.

Twenty-two members of the Future Teachers of America, student organization, served as guides and receptionists for the tour.

The parents were taken on a guided tour of the building, visited classrooms in operation, saw many of the new types of equipment being used as teaching aids, and visited with various teachers in department areas of their choice.

The parents were guests of the school for lunch in the cafeteria. The list of parents were representative of all class levels and from all sections of the Antioch High School District, including the Baptist Home and the Allendale School for Boys.

Show Features Barbershop Singing

Barbershop Americana, a show featuring Barbershop Quartettes, will be held at 8 p.m. Saturday, Dec. 2, at the West Campus auditorium of Waukegan High School.

Northern Lake County Barbershop Show. The Little Fort chapter of the Society for the Preservation and Encouragement of Barbershop Quartet Singing of America, Inc., has an outstanding show this year.

Featured on the program will be the Sundowners, the Ill. District Champs and International 4th place Medalists; the Midnight Oilers; the Duffers, a comedy quartet, and the Lakeland Chorus of Little Fort Chapter, with Director Earl Lourcy.

Attends Coin-Op Convention

Emerson R. Sander, RR 1, Box 383A, Spring Grove, recently attended the National Coin-Op Convention in Chicago.

As a coin-store operator, Mr. Sander is part of an industry that has 36,000 self-service laundry-drycleaning stores with annual sales of over \$800,000,000, reports the National Automatic Laundry and Cleaning Council (NALCC).

Mr. Sander, with his partner, operates laundromats in Antioch and Lindenhurst.

Observe ACHS Fine Arts Department

Educators interested in the development of children gifted in the arts visited Antioch Community High School last week to observe and evaluate the Art programs at the school.

Those who visited Antioch High were Wallace Smith, Director of the Illinois Program for the Gifted in the Arts; Frank Tresise, chairman of the Art Department at Evanston High School; and William Waach, Speech Arts teacher at Evanston High School. They represent the Illinois Demonstration Center for Gifted Children Program at Evanston. In addition to observing Antioch's program, they will recommend changes.

Evanston High School, as the state designated Demonstration Center, is available to all Illinois teachers who wish to observe the particular approaches to the education of gifted children.

Mrs. Jane Craner, Antioch High School art teacher, and Kenneth Smouse, ACHS English and Drama teacher, visited the Demonstration Center on November 6, 7, and 8. They were able to observe Evanston High School's Fine Arts Department and the Performing Arts Department in operation.

Damaging Mailbox Is Federal Offense

Postmaster Joseph Wolf said today that parents and teenagers should be aware that willful damage to mailboxes or main receptacles is a Federal Crime.

The Federal law provides that anyone who willfully or maliciously injures, tears down, or destroys any mailbox or other receptacle intended or used for the receipt or delivery of mail on any mail route, or breaks open the mailbox, or willfully or maliciously injures, defaces or destroys any mailbox may be fined \$1,000 or imprisoned for up to three (3) years.

1c Bowling Special Sun. For Project Viet Nam

Representatives of the Antioch posts of the VFW and American Legion were given \$400 to go Christmas shopping for Antioch area soldiers in Viet Nam Monday. The money represents the proceeds of the sale of seals, plus about \$100 from the Project Viet Nam funds. Hopefully, the \$100 will be

replaced in the regular Project Viet Nam funds by the proceeds of the bowling special-Sunday.

Dorothy Horan and Pearl Anderson, members of the Legion Auxiliary, and Olive Hallwas and Myra Randall, VFW Auxiliary, are in charge of shopping for gifts for the special Christmas mailing to

the Antioch soldiers. The two organizations will meet November 30 at the Legion Hall in Antioch to pack the goodies to send overseas.

The Bowling Special at the Antioch Bowl Sunday, November 25, will give bowling fans a chance to get some practice at bargain rates, and at the same time contribute

to the special Christmas gifts to Antioch soldiers in the war area. From 10 a.m. to 2 p.m. all proceeds of the lanes will go to Project Viet Nam. A special price will prevail—55c for the first line, 1c for the second line. Alternating lines will be at the special 1c rate, no matter how many lines you bowl.

Three of the men from the Antioch Post Office—Earl Walters, Lee McKinney and Chester Golonka will be at the Antioch Bowl, in charge of the Bowling for Project Viet Nam.

As a special attraction, Paul Krumske will be at the Antioch Bowl Sunday afternoon. He will answer any bowling questions you may have. Krumske is a well-known bowler, one of the outstanding instructors in the game. He is probably one of the most consistent bowlers of all time, and has the most flawless style. He has earned many honors in his long bowling career.

Kill 1 Bank Robber, Capture 2nd

The robbery of the Silver Lake Bank last Friday ended with one of the hold-up men slain, the loot recovered and the second robber arrested in Milwaukee Saturday afternoon.

The first gunman was killed by Deputy Jerry Van Patten after the bandits' car crashed into a telephone pole as they tried to turn the corner from Hy. K. to Hy. NN. Van Patten had chased the car from the Fox River bridge on Hy. 50.

The two men tried to flee from the car, and Van Patten shot and killed Phillip Royal, 40, of Racine. The second

man got away.

An extensive man hunt covering an 80 acre area followed. About 200 people reportedly joined in the search and eventually the marshy area was burned off in an attempt to flush out the fugitive. When this failed, the search was called off.

In the meantime, according to the story of a Chicago Tribune reporter, the bank robber, later identified as Charles Layton Cox, 32, had calmly walked out of the corn field where he was hiding and joined the crowd of onlookers watching the hunt.

Cox, according to reporter William Jones' story, eventually joined Jones and spent much of the afternoon in his company. The two men talked to deputies and were invited into a farmer's kitchen for coffee.

Throughout the afternoon, according to the reporter, Cox coolly discussed the robbery with bystanders, joked and even bummed a cigarette from a deputy.

Eventually, the fugitive and the Tribune reporter were given a ride from the scene by Mrs. Kathryn Gallagher, editor of the West-Osha Report. The two re-

porters dropped the fugitive at a car about a mile from the area where the hunt was being carried on, evidently a second getaway car the bandits had on hand.

The identity of the robber was discovered when the reporter returned to the search area and in conversation with the sheriff mentioned the deformed ear of his companion of the afternoon. The sheriff asked the newspaper to withhold the story until the fugitive was captured. He was arrested in Milwaukee and charged with robbery of the bank.

Santa Claus Flies Into Antioch Sat.

Santa's arrival in Antioch Saturday will signal the opening of the Christmas shopping season in Antioch.

Santa will come into town by helicopter. He'll land in the village parking lot on Broadway at 10:30 a.m. and will go from there to the Rescue Squad building, where he'll greet all his little

admirers and hand out gifts of candy canes.

Youngsters under 12, accompanied by a parent, can sign up at Antioch stores this week for a chance for a free ride in Santa's helicopter. Names of winners will be drawn Saturday.

The Antioch Chamber of Commerce has made final ar-

rangements for decorating the village for the Christmas season. New decorations have been bought and will be installed by November 25.

Music will be broadcast throughout the business section during the holiday season and a large Christmas tree will be erected in the Savings & Loan area.

Antioch P.O. Now Has Christmas Stamps

The ovation given the 1966 special Christmas stamp was so overwhelming that the Post Office Department has issued essentially the same stamp this year as an encore.

Postmaster Joseph Wolf reported today.

The 1967 version will be bigger than last year's and will include more of the "Madonna and Child with Angels", painted in the 15th century by the Flemish artist Hans Memling. The masterpiece hangs in the National Gallery of Art in Washington, D. C.

The stamps are now on sale at post offices. Postmaster Wolf noted that use of the special five cent stamp or any other five cent stamp on Christmas cards affords first class treatment. That means the cards will be forwarded if the recipient has moved, or returned if there is no forwarding address so that mailing lists can be brought up to date. Third class postage on cards does not provide that service.

The postmaster urged all area residents to shop and mail early and use ZIP Code in all addresses so that the avalanche of Christmas mail will be moved with the greatest efficiency.

Ski Fair May Lead To Club

A group in Antioch interested in forming a Ski Club is hoping to start the ball rolling with an exchange of ski equipment to be held Friday, December 1.

"We're always talking about forming a Ski Club but we never do," a spokesman for the group said. "Maybe this will get things started. Anyway, we'll find out how many people are interested."

The exchange will help skiers get rid of equipment that they have outgrown, while others can get what they need in trade or at a second-hand price.

The affair will be at the Antioch Savings & Loan between 7 and 10 p.m. Dec. 1. A ski instructor from Wilmot Ski Hills will be present to answer any questions and to explain techniques.

For further information or drop-off of merchandise, call 395-2346 or 395-0091.

Balen Elected President of ACT

John Balen of Waukegan was elected president of the Association of Collective Taxpayers at the annual election of officers of the organization at the Bien Venue in Libertyville last Sunday afternoon.

Other officers elected were Hollis Austin, Waukegan, vice president; Helen Baruffi, Waukegan, secretary and Robert DeJenne, Zion, treasurer.

Directors elected were Orrin Romer, Round Lake; Dale Preston, Gurnee; Leo Sheldon, Lake Villa; Ruby Briscoe, Waukegan, and Robert Bowman, Round Lake.

Panel on Program For Realtors Meeting

The Waukegan-Lake County Board of Realtors will hold a dinner meeting at the Adria Restaurant on November 27 at 7 p.m.

The program will be "Legislative Report" with guest panel members Senator Karl Berning, Rep. John H. Conolly, Rep. John Kleiner, Rep. George Lindberg, Rep. John Matyevich and Rep. D. M. Pierce.

The panel discussion will be followed by a question and answer period.

John Prossie Earns Rank Of Eagle Scout

The North Shore Area Council of the Boy Scouts of America has announced that John B. Prossie had successfully passed the examination of the council's board of review and will be elevated to Eagle Scout. This is the highest rank in scouting, and is earned only after years of achievement in many scout programs.

John, 15, is the son of Mr. and Mrs. E. Roger Prossie, 40 Cedar Ave., Lake Villa, and is a sophomore at Antioch High School. He is a member of Troop 184 at Lake Villa Methodist Church.

The Eagle Scout badge will be presented to him by his troop in the near future.

In addition to passing the council's board of review, a candidate for Eagle Scout must meet the following requirements: (a) earn 21 merit badges, (b) carry out leadership responsibilities in his troop, (c) develop a service project for his church or school, and (d) demonstrate understanding of the scout oath by word and deed.

G. S. Troop 110 Visits Hospital

The girls of Senior Girl Scout Troop No. 110 visited Great Lakes Naval Hospital on November 12. They played games and cards with the men on the wards.

Recently the troop had a party at the Scout House on Main St. in Antioch. About twenty people enjoyed the games and refreshments that were provided.

At their last meeting, Troop 110 elected new officers. They are: Chris Johnson, patrol leader; Sue Lazansky, assistant patrol leader; Pat Holiman, secretary; Nancy Zoll, treasurer.

On November 11, Sequoyia Neighborhood played hostess to five other neighborhoods of the Council at a Patrol Leaders' workshop. Twenty-one troops were represented, with a grand total of 127 girls in attendance.

The instructors at this workshop were Mrs. L. Surrock, Mrs. B. Gibson, Mrs. B. Wells, Liz Surrock and Wendy Lindblad. The girls were shown the proper way for a patrol leader to act and what her responsibilities are.

A follow-up session is being planned for after the first of the year. At this session the girls will be given the opportunity to actually work as a patrol.

Give Full Address For Quick Delivery

Postmaster Joseph Wolf today urged the citizens of Antioch to be sure to use the correct address on their letters and packages going to servicemen overseas to avoid serious delays in delivery.

Postmaster Wolf reported that millions of letters and packages going overseas have been delayed because they were insufficiently addressed. He said that one of the biggest problems has been the failure of persons to include the very important 5 digit APO or FPO number in the military address. Mail not

containing this number is incorrectly addressed.

He said that last year more than 9 million pieces of mail were delayed in delivery. Of this number, 3 1/2 million pieces of mail failed to include the complete 5 digit APO or FPO number in the address. This improperly addressed mail had to be sent to a military located directory where time-consuming searches were made to determine the proper addresses.

"As the Christmas mail volume going overseas is expected to increase up to 30 per cent or over 4 million pounds above last year, every precaution should be taken by friends and relatives of servicemen to address their letters and packages properly to assure rapid delivery to its destination," Postmaster Wolf said.

There are four essential elements to an overseas military address. They are:

1. The serviceman's identity—grade, full name, and service number.
2. His military unit—complete.
3. Gateway post office—New York, San Francisco or Seattle.
4. APO or FPO—a 5 digit number.

When any of these elements is missing, the letter or package will be delayed in delivery.

Vocalaires Present Fall Musical

The Hough Vocalaires will present their 18th annual fall musical on November 25 and 26. Entitled "Fall Happening" it will be held at 8 p.m. at Mundelein High School in Mundelein, Ill.

The Vocalaires, under the direction of Arthur P. Quinn of Chicago, will feature such songs as "Up, Up and Away," "September in the Rain," "What Now My Love," "Lullaby of the Leaves," and many other well known favorites.

Proceeds of the musical will go to the Grove School for Handicapped Children, Libertyville Jaycees, and the Community Bandshell Project.

Tickets will be on sale at the door the nights of the performances.

Square Dancers Slate Jamboree

The Libertyville Saints and Swingers Square Dance Club is encouraging all square dancers in the area to join them for an afternoon of square dancing on Sunday, Dec. 3, from 2 to 5 p.m. at Oak Grove School on O'Plaine Road at Buckley Road.

This will be the club's Ninth Annual Jamboree with callers Herb Johnson and Jim Shiporski. There will be dancing in two halls to accommodate both beginners and intermediate dancers.

Cause For Thanksgiving

Most of us have little trouble finding something to be grateful for on Thanksgiving Day. Even the poor and the sick can find cause for rejoicing in a new dawn, a new day that may bring improvement of their lot.

Numerous charities see that most people have a good dinner on this day of traditional feasting. For those who can afford it, every variety of delicacy is available.

A good harvest and plenty of good food was enough to make the Pilgrims thankful, but this is a taken-for-granted thing for today's American. He's far removed from any knowledge of whether or not there was a good crop of anything this year. He may vince at the high price of some of the food he buys, but he takes little thought as to whether or not the price reflects a poor growing season or an early freeze.

Probably no other nation in the world could so easily celebrate a day dedicated to a bounty of food. While we feast, other nations face famine. If a practical way could be found to share the over-abundance of foods that we have with those who need it, even in this country, would it perhaps end a great deal of the unrest in the world? Probably not, for if man is not fighting to get enough food for himself and his family, he will find something else to fight for.

The bounty of food in this nation will not be enough this Thanksgiving, to erase the thoughts of the American men who are in Vietnam at the holiday season. War appears to still be a sad necessity in this world of imperfect men.

Perhaps, soon, we will be able to celebrate a holiday again with the nation at peace. This will be a true day of rejoicing for all the nation.

Early Birds

I've spotted more than one early bird Christmas shopper laden with presents already this season. With the constant reminders to shop early and mailly early, if you don't do it these days there's nothing left to choose from when the real Christmas spirit hits you!

While on the subject, don't forget to register your child's name in the stores for a free helicopter ride with Santa this Saturday at 10:30, and you must be present to win.

Round the World Tour
Larry and Rosalie Lyons are on an extended tour around the world—and that's eighty days of sheer envy.

Congratulations
To Dick and Grace Klean

on their new arrival, Kenneth Paul, weighing in at 8 lbs. 1 oz. His two brothers and sister, Karen are anxiously awaiting Mom's arrival home!

Afternoon Hop!
Frank and Jean Benes and Bernie and Shirley Gutowski flew to Lake Lawn Lodge for a very relaxing Sunday afternoon dinner!

Home on Leave
Spotted—Mike Haley in town last weekend on a three day pass from Fort Leonard Wood, Mo.

Don't Forget
To attend your church this Thanksgiving Day to say a prayer for our men in Viet Nam and don't forget to count your blessings.

Happy Thanksgiving!

Courthouse Notebook

By Lou Durkin

Michigan Governor George Romney made his long-expected announcement over the weekend that he would seek the Republican nomination for President, but the revelation created scarcely a ripple of interest.

Of course, Gov. Romney has been a candidate for the nomination and for the Presidency almost since the conclusion of the 1964 GOP convention which gave the nod to Sen. Barry Goldwater.

Since there was little surprise in the announcement by the one-time motor company head there was little excitement and little enthusiasm stemming from the proclamation.

This is a danger facing any potential candidate whose plans become too apparent before he makes a full-fledged announcement and it works in reverse for the possible candidate who insists however weakly that he is not a candidate.

A sudden announcement by New York Gov. Nelson Rockefeller that he had decided to seek the nomination would certainly create more interest and excitement than did Romney's pronouncement.

Former Vice President Richard M. Nixon is so transparently a candidate that his formal announcement will be anti-climatic, but a similar announcement by Ronald Reagan would be newsworthy.

An announcement by New York Mayor John Lindsay that he would seek the nomination would come as a big news break, but don't be surprised if you see him men-

tioned more and more as a possible dark horse candidate or late starter in the presidential sweepstakes.

Long-time supporters of former Governor William G. Stratton are viewing his maneuvering with some mixed emotions.

The former Chief Executive has been dropping hints here and there that he expects to seek the Republican nomination for Governor and has indicated he will have an announcement to that effect after the Yule season holidays.

Many Republican activists are still loyal to Gov. Stratton and would support him, but they are not too optimistic about his chances of winning the nomination or, if nominated, unseating the Democratic choice.

These Strattonites feel that 1968 will be a Republican year.

can-year in Illinois and want to be with a winner all the way.

Since the bulk of Stratton's support has been down-state in the past his presence on the edge of the gubernatorial picture has hampered John Henry Altorfer in his efforts to organize an effective group in his bid for the nomination.

Cook County Board President Richard Ogilvie can afford to delay his announcement because he has a forum in which to reap regular space in the newspapers and on radio-television, but Altorfer has no base from which to work and is going to have to become a bona fide candidate to offset this Ogilvie advantage.

At the local level at least one county office holder wants to remove any doubts about future plans.

Circuit Clerk Stephanie Sulthm, now serving her second full term in the office has not announced her candidacy for a third term, but book matches bearing her picture and the legend "compliments of the Circuit Court Clerk," would lead one to believe she plans another term.

Active solicitation of support by Assistant State's Attorney Jack Hoogasian for State's Attorney would indicate that his boss, Bruno W. Sanczak, will not seek reelection in 1968.

Dangerous Misconceptions About Alcohol

Since holiday time is near, here are some misconceptions that you should know about alcohol, says the Lake County Safety Commission.

"BEER WON'T MAKE YOU DRUNK"

Actually, there is just as much alcohol in a bottle of beer as in a shot of whiskey. If a person gulps three bottles of beer in two hours, the ultimate effects are the same as if he has sipped three highballs in the same period of time.

"SOME PEOPLE ARE LESS AFFECTED BY ALCOHOL THAN OTHERS."

It often looks that way, but the fact is that other things being equal (weight, amount of food in stomach, etc.) one drink has the same physical effect on a teenager as on a heavy drinker. Experienced drinkers are simply better at masking the effects outwardly.

"YOU CAN DRIVE SAFELY AFTER A FEW DRINKS ..."

Quite the contrary, although the drinker doesn't realize his driving has deteriorated. Since alcohol dulls judgment, it treacherously hides awareness of his impairment from the drinker himself. Tests have shown that a two-drink concentration of alcohol in the blood (.05) slows reactions an average 2/5th of a second. In

that time, a car going 60 mph will travel an additional distance of 34 feet. Vision also deteriorates. It takes longer for your eyes to distinguish objects, and side vision becomes blurry. Worst of all, normal cautions are relaxed; a driver will risk his life by racing to beat the light—or taking a turn too fast.

"ALCOHOL IS A STIMULANT"

Just the opposite—it's a depressant. The temporary "lift" is caused by the depressant acting to loosen mental controls. But the "life of the party" will soon slow down; perhaps pass out cold, if he keeps on drinking.

"COFFEE WILL SOBER UP A DRINKER"

Nothing but time will do that. There is no ingredient in coffee that lessens the effects of alcohol. How fast a person's system gets rid of alcohol depends upon the rate at which his body burns up the alcohol. Generally, it takes about an hour for the effects of an ounce of liquor to wear off on a 150 pound man.

DANGEROUS PLACE

Twenty-three murders took place in one building in New York City between 1900 and 1917.

Benefits To Veterans Increase

Chicago has 44,449 disabled veterans. Illinois has 132,617.

In Chicago, there are 66,991 veterans and dependents on Veterans Administration compensation and pension rolls. On November 1, under presidentially-inspired legislation providing increases in all pension categories and compensation raises for some, VA paid these 66,991 a total of \$4,776,303. The month before the increases became effective, 67,580 Chicago beneficiaries received \$4,172,567.

In Illinois, including Chicago, 202,201 veterans and dependents received \$14,564,156 November 1. The month before, 202,921 beneficiaries got only \$14,294,035.

The decline in veterans was attributed mostly to an average of 1,200 deaths a month among Illinois veterans, with increases from Viet Nam casualties not yet offsetting the losses. In fact, fewer than 700 of all beneficiaries in the state are the result of Viet Nam casualties, according to the tabulation by the VA Data Center at Hines, Illinois.

Nationwide, VA reported a total of 4,569,861 veterans and dependents on compensation and pension rolls November 1.

Remember, when you are a pedestrian you have no protection around your person. When pedestrian and car collide—the person on foot always gets the worst of it.

YELLOW LIGHT LAW UNCHANGED

Motorists are reminded that there is no change in the regulations regarding yellow traffic signals because of a law passed by the 75th General Assembly. Sole purpose of the new law is to place the wording of the Illinois statute in conformance with the national Uniform Vehicle Code.

There has been no change in the law in connection with a flashing yellow signal. Flashing yellow lights indicate that motorists may proceed through the intersection or past the signal only with caution. The driver is not required to stop when confronted with a flashing yellow light.

MOVE OVER, ROBIN HOOD

Bow hunters bagged 154 white-tailed deer on the Gardner Division of the Mark Twain National Wildlife Refuge north of Quincy. The special season was from Oct. 14 to Oct. 22. About 20 percent of the participants killed a deer, a high success ratio for bow hunters.

Most of the deer, 91, were killed the first day of the season. Of the total number taken, 68 were bucks and 24 of them weighed over 200 pounds, field dressed. The largest buck, a 13 pointer, weighed 260 pounds dressed or about 330 pounds on the hoof.

The oldest deer was a doe in the 8½ year age class. An albino buck, 1½ years old with five points was bagged.

It seems that the shortest distance between 2 points is always under construction.

Only modern electric heat is as clean as the sun

Electric heat is unlike any other type of home heating. It's flameless—it burns no fuel, and it keeps your whole house cleaner, more comfortable. And because an electrically-heated home stays clean longer, wall washing and redecorating are kept to a minimum.

With electric heat, you can pick the type of heat you want. There are 5 basic types of flameless electric heating equipment. Depending on your heating requirements, one system may be used separately, or several may be teamed together.

If you're planning a new home or thinking of converting your present heating system, check into electric heat. You'll find that it's the most modern, convenient type of home heat today. And it's clean.

For more information about electric heating, call our nearest office.

Mr. and Mrs. Otto Sprenger

Carpenter-Sprenger Wed. In Kenosha

St. Theresa Catholic Church was the setting Saturday, October 14, for the double ring ceremony uniting Mrs. Mary Jane Carpenter to Otto Hans Ulrich Sprenger, son of Mr. and Mrs. Albert G. Sprenger, Antioch.

The Rev. Vincent N. Schneider, pastor, officiated at the 1 p.m. service, assisted by the Rev. Robert Hansen, LaCrosse, cousin of the bride.

A part of the service was repeated in German, honoring the bridegroom's godmother, Mrs. Anna Boss, Baden-Baden, Germany, who flew here for the wedding. The bride was given in marriage by her brother, John J. Furely, Whitewater, Wisconsin.

The bride wore a gown of parchment peau de soie with tea cup sleeves, scoop neckline and a slightly A-line. Delicate Swiss lace embellished the beautiful gown in scattered appliques encrusted in tiny seed pearls; a deep Swiss lace border with

scallops edged the hemline and a sweeping train cascaded from the shoulder. A matching jewel-encrusted pagoda type headpiece was fastened to a Swiss illusion bouffant back veiling.

She carried a cascade bouquet of white roses, cymbidiums, stephanotis and ivy centered with an orchid held on a bowed ivory net background.

Mrs. Herman Schwinge, Mundelein, was the matron of honor with Mrs. Louis Baland and Mrs. James Furely, of the bride, as bridesmaids.

Their matching gowns were of vivid pink chiffon with semi-empire basques, scoop necklines and flowing Watteau back panels. Scattered blossoms were caught in their hair. They carried crescent bouquets of pink Eligans, pink garnets and pinkish cymbidiums, centered with an orchid against pink netting.

Herman L. Schwinge was best man, with James Furely, brother of the bride, and Alfred P. Pedersen, Antioch, as groomsmen.

Jerome P. Carpenter, son of the bride, and John Kopecky, Jr., ushered.

A reception was held immediately following the wedding for out of town guests at the Elks Club lounge. A wedding buffet was served in the evening for 350 guests.

Following a honeymoon trip, through the South the couple now reside in Kenosha.

The bride attended college in Whitewater and Mr. Sprenger attended the University in Zurich, Switzerland. He is now manager of commercial, industrial and farm lands sales at Howard Marshall Realtors, Glenview, Ill.

FT. CARSON, Colo.—Army Specialist Four William P. Coon, 20, son of Mrs. Ruth Coon, 950 Washington St., Marseilles, Ill., is participating in the post-wide field training exercise being held at Ft. Carson, Colo., from early November until mid-December.

Spec. Coon is a clerk in Company C of the 5th Infantry Division's 705th Maintenance Battalion.

His father, Raymond Coon, lives on Route 2, Antioch. His wife, Catherine, lives on Route 3, Antioch.

USS HORNET — Airman Apprentice Dale W. Esteb, USN, son of Mr. and Mrs. How E. Esteb of 48 Timberlane, Antioch, has returned to the United States after a seven-month deployment to the Far East aboard the anti-submarine warfare support aircraft carrier USS Hornet.

A recent milestone in the carrier's career was marked when the 100,000 landing was made on its flight deck, 23 years after the first landing in October, 1944.

Ted Wilkinson, president of the Antioch Moose Hunting Club, called a special meeting for all members, Wednesday evening, Nov. 15, to set the schedule for the opening day of the Pheasant season. All birds are released on the farm, which is the area for the hunting club's Control Shooting. All members not in Control Shooting are allowed to take 2 pheasants per day, during the regular season which started Saturday, November 18 and will end Sunday, December 17. All birds, whether they be cocks or hens, must be tagged and all members have to fill the kill sheet which is posted at the farm. Warren Andre and Scotty Birdsell, special representatives of the Department of Conservation, are patrolling the area.

Mr. and Mrs. Lester Sperling were guests of the Antioch Moose Home, Saturday evening, Nov. 18, in celebrating their 28th Wedding Anniversary. All members present joined in the celebration.

There were 23 members present for the Legion get-together and pot luck held at the Antioch Moose Home Sunday afternoon, Nov. 19. Pres. Dick Jorgensen read the minutes of the previous meeting and further discussions for the Legion project which had been tabled at that time were reviewed.

Mr. and Mrs. Harvey Henry were put in charge of the fund raising project which will be the topic at the next regular meeting. Mr. and Mrs. Bob Carroll will take charge of the card party planned for in the near future. The annual Christmas party, which will be a pot luck dinner, will be held on Saturday evening, December 16th. This will be for all Legionnaires of the Antioch Moose.

Both of the Antioch Moose Bowling teams did well this week. Team No. 1 won two games from Harvard. Leonard Kohl, an alternate, was present to cheer the team on. Bob Hadley took high series with a 495 and he also had high game of 184.

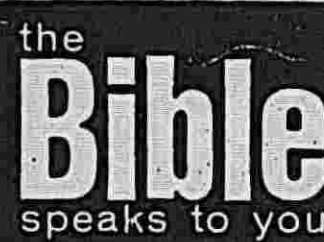

Team No. 2 won two games from Zion Benton with Gerry Kusch having high game of 184 and high series of 507. The next bowling meet will be at McHenry, Dec. 3.

Mr. and Mrs. Arthur Andersen attended the 3rd District meeting held at the Fox Lake Moose Home, Sunday morning, Nov. 19. The Third District's Vice Presidents dinner will be held on the first Saturday in February of 1968. All Lodges will be notified. The next 3rd District meeting will be held at the Barrington Moose Home on January 14, with the serving of breakfast from 8:30 to 9:30 a.m. No meeting will be held in the month of December because of the holidays.

An enrollment for new members will take place at the Antioch Moose Home, Saturday evening, Nov. 25. The Antioch Ritual Team is scheduled to perform the enrollment ceremony. There has been a change in the meeting for the Hunting Club for this month. Due to the Thanksgiving Holiday, the meeting has been changed to Thursday evening, Nov. 30th. All members of the Hunting Club are urged to attend due to all the activities that are being planned.

Anniversary Celebration

Martin and Madeline Fox, 412 Cremona, Venetian Village, celebrated their 25th wedding anniversary Nov. 14. In honor of the occasion, their neighbors Bob and Dorothy Sweeney and Mary and Gus Noce took them to Sabatini's for dinner. Last Saturday evening, Mrs. Fox's sister, Rose Leopizza and her husband, Carl, took them out for supper to the Club El Bianco, 63rd and California in Chicago. Eleven other members of the family also went with them. Mrs. Leopizza was Mrs. Fox's bridesmaid.

The Fox's were married at St. Matthias Church, Ainsley and Western, in Chicago. They have three children, Martin, Jr., 20, Maria 15, and Michael 12. May we add our best wishes and look forward to their golden anniversary.

Father Carolan

Father John Carolan arrived at Prince of Peace Church Saturday, to become the first assistant assigned to Prince of Peace Church. He said Mass here Sunday morning. Father Carolan comes to us from St. Cajetan Church, 11207 Artesian Ave., Chicago, but he is not new to the area. He served at Immaculate Conception Church in Waukegan.

Sympathy Note

Condolences are expressed to the Sam Loblillo family on the death of Mr. Loblillo's father, Frank.

Hospital Patient

Mrs. Grace Slove is still a patient at Sheridan General Hospital in Chicago, but should be coming home soon after Thanksgiving. She is up and around and getting along quite well, but is receiving special diet and medication. She went into the hospital in a diabetic coma.

Thank You Note

Mrs. William Shuts and daughter, Maxine, thank all their friends and neighbors for the flowers, kindness, and assistance that they received when Mr. Shuts died suddenly a week ago.

Bahama Vacation

John and Lorraine Grant, and their son, Bob, spent their three week vacation driving to Miami, Florida, and then taking a boat to the Bahamas, where they spent a wonderful four days.

The Law Serves You

A Public Service of the
ILLINOIS STATE BAR ASSOCIATION

Circumstantial Evidence Is More Convincing in Some Cases than Eye-Witness Testimony.

Contrary to popular opinion, accused persons can and often are convicted of crimes on the basis of circumstantial evidence and such evidence may be as conclusive or more conclusive than eye-witness testimony.

According to the Illinois State Bar Association, all evidence entered in a criminal case, other than a confession by the accused or the testimony of eye-witness, falls into the classification of circumstantial evidence.

On that basis, 80 to 90 per cent of the testimony submitted in criminal cases is circumstantial evidence — fingerprints on a gun or other objects, footprints in the earth, shreds of clothing, even blood tests and ballistics tests, no matter how expertly and scientifically derived, is wholly circumstantial.

That such testimony may be as convincing or more convincing than eye-witness testimony may be seen by a simple illustration. Suppose an eye-witness testified in a trial that he saw the accused pull the trigger and throw away the gun. But circumstantial evidence — fingerprints on the same gun showed that somebody else, not the person claimed by the eye-witness, handled the weapon. A jury would be more inclined to believe the fingerprints.

The fact is that eye-witness testimony, like any other evidence, must be subjected to critical examination. It must be evaluated in terms of the

conditions under which the eye-witness identification was made; the quality of the witness' vision; his competency, including judgment, memory and perceptiveness, and finally, the character, and trustworthiness of the witness himself.

All testimony, whether circumstantial or not, must meet certain qualifications before being admitted as evidence in court. First, it must be relevant, meaning that it must have something to do with the facts that are in dispute. Secondly, it must be reliable. For example, a witness must testify from firsthand knowledge and may not "hearsay" testimony, based upon what another person has told him. And, finally, the evidence must be authentic, "the real thing," thus, before an account book can be admitted as evidence, the validity of the book itself and its ownership as well as its bearing upon the case must be established.

Refusal to take lie detector test can cost public official his job.

The public employee who refuses to take a lie detector test in connection with a legitimate public inquiry is within his constitutional rights, but his refusal may cost him his job.

According to the Illinois State Bar Association, refusal to take a lie detector test is a privilege everyone has under the Constitution, which guarantees that no one may be required to give testimony against himself.

There is no Illinois law which states what is to be done when a public official refuses a superior's order to take a lie test. However, the Illinois Attorney General has ruled that such orders are proper and that while

an employee has a Constitutional right to refuse, he does not have a Constitutional right to remain in his job.

In Illinois, law officers have been dismissed because of their refusal either to submit to a lie detector test or to testify in a grand jury investigation.

The reliability of a lie detector test itself as evidence in court is another question. Courts generally have held that clear-cut, scientific proof of the reliability of a lie test has yet to be established.

However, the lie test remains a useful guide in public investigations. The results of a test may indicate that certain avenues of inquiry should be closed and may at the same time point to new directions of valid investigation.

Also, a lie detector test may firmly establish the innocence of a person in the minds of investigators and lead them to look elsewhere for their suspect at a substantial saving in time and effort.

CREDIT CARD LOST OR STOLEN? LIABILITY IS LIMITED BY LAW

A new Illinois law limits the liability a credit cardholder must assume in the event that his card is used by an unauthorized person.

According to the Illinois State Bar Association, the limits are \$25 in case of a credit card that does not have a place for the cardholder's signature and \$75 in case of a credit card that has a signature panel.

The law states that the person named on the card "shall not be liable to the issuer of the card for any amount in excess of the applicable amount (\$25 or \$75) resulting from a use of that card from which he or a member of his family or

household derives no benefit or which he has not authorized or permitted."

An ISBA spokesman said the limits apply to a solicited credit card — sent to a person upon his request or application — or unsolicited card which has been accepted for use by the person named on the card.

However, he added, the law provides full exemption from liability for any person named on the card which he did not solicit and which he does not sign (if there is a place for signature), use or permit to be used by another.

In that case, the law says, the person named on the card may not be held liable for any purchases or other charges arising from any use of the card by an unauthorized person. Moreover, the recipient of an unsolicited card has no legal obligation to notify the issuer of his refusal to accept liability, to return the card, or destroy it. However, it is good practice to cut, tear or otherwise render unusable any credit card which a person does not intend to use.

The ISBA spokesman noted that many credit card issuers, including banks, provide a signature panel on their credit cards. Therefore, in the absence of any issuer-cardholder agreement to the contrary, these companies may require cardholders to pay up to \$75 of charges made by an unauthorized person, in event of loss, theft or other misappropriation of the card.

However, the spokesman said, some credit card issuers assume all risks in case a card is lost or stolen or assume liability for all unauthorized purchases made after the loss or theft of a card is reported by the cardholder.

Gas cooking makes sense.

Because today's new gas ranges give you more features per dollar than any other range—actually cost less to buy, less to use.

Because you're in command with gas. When you turn it off, it's off. There's no hangover heat to scorch food or overheat your kitchen. And when you turn it on, it goes on—to the exact shade of heat you want.

Because modern gas ranges are so colorful and beautifully designed, they add glamour to your kitchen.

Because gas broiling is clean and smokeless. You broil with the oven door closed.

Because gas cooking brings out the tastiness of foods. It's the choice of 95% of Chicago's professional chefs.

Because you can get out and enjoy life more, thanks to the many programmed controls that cook things and keep them eating warm, automatically.

For more reasons why gas cooking makes sense, call or visit our nearest store or office, or see your appliance dealer.

"Serving the Lakes Region Since 1894"

Sequoits Open Cage Season With Victory

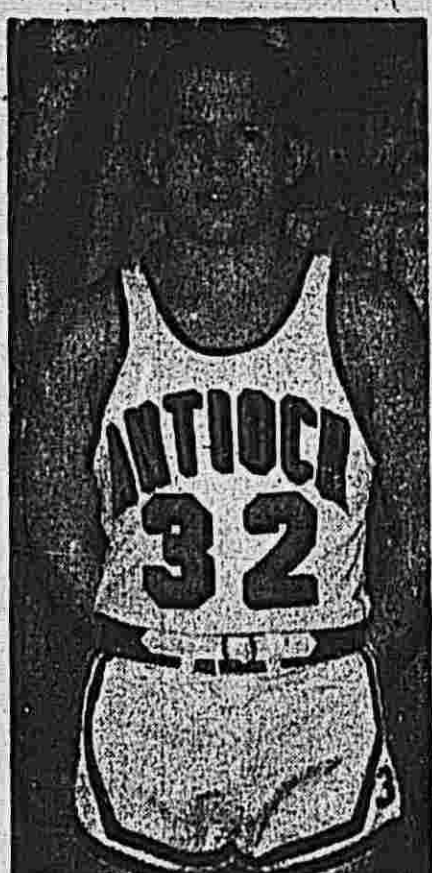

The Antioch High School basketball team opened the season with a win over McHenry, 67-62, last Saturday.

The Antioch five will face Salem Central in their first home game Wednesday evening with the sophomore game starting at 6:45 p.m.

Friday and Saturday, Nov. 24 and 25, they'll take part in the Barrington tournament.

The first conference game will be with Lake Zurich on Friday, Dec. 1, at Lake Zurich. Saturday, Dec. 2, the Sequoits will face North Chicago at the Antioch gym.

Saturday's game at McHenry was a nip-and-tuck affair during the first quarter with Antioch holding a one-point lead, 17-16, at the end.

Bill Blecke did a fine job in Saturday's game.

During the first six minutes of the second quarter, Antioch outscored McHenry 12-0 to open a 13-point lead, 31-18. The attack was led by Bill Blecke as he scored three baskets during this streak. In the last two minutes of the quarter, McHenry broke loose to out-score Antioch 10-2. The half ended with the Sequoits leading, 32-28.

Play throughout the second half was fairly even with never more than eight points separating the two teams.

Steve Miklautsch lead the Sequoits in scoring with 21 points and played a fine floor game. As the only returning regular from last year, he was the team leader and stabilizer. Two juniors, Rodney Boswell and Dave Camp,

turned in fine performances for their first varsity game and scored well. Dave had 14 points and Rod, 10 points.

In the rebound department Bill Smith, Boswell and Bud Holway lead the way, with 10, 11 and 8 respectively.

"The game showed the need for more experience, development of more team play and strength on the boards," Coach Roger Andrews commented. "The future looks promising. The boys are eager to move, they displayed a great deal of hustle and at times showed real fine play, as was evident in the first six minutes of the second quarter. In all, I was pleased with our first game results."

"The local fan support at the game was terrific," Andrews continued. "Thanks to all the loyal basketball fans. This is a real fine moral factor to the team. We appreciate your backing very much."

The schedule for the Barrington Holiday tournament is as follows: Varsity, Antioch vs. Batavia at 6:30 p.m. Friday; Antioch vs. Barrington at 1 p.m. Saturday, and Antioch vs. Mundelein at 7 p.m. Saturday.

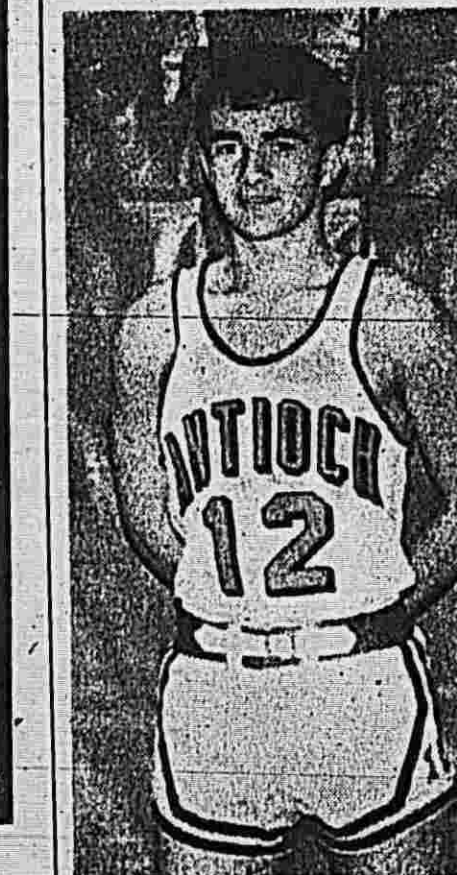

The soph squad will face Batavia at 1 p.m. Friday, Barrington at 11:30 a.m. Saturday and Mundelein at 4 p.m. Saturday.

Steak Shoot At McHenry

By Harry H. Stern

The McHenry Sportsmen's Club has a freezer jammed full of tender-aged JoPat steaks waiting for turkey-sated shotgunners to carry them home.

All they need to do to accomplish the task is to show up at the big Steak Shoot on Sunday, November 26th, with their trusty fowling pieces and shoot themselves all the red meat they can handle.

To facilitate this, the McHenry club will run their "everybody" wins contest, including the ever popular Hi-Lo and Hi-Lo-White Bird Shoots. In these events the gunner with the highest score wins; the one with the lowest tally wins, and the lucky blunder-busser who bags the white bird wins. The regular birds are black and yellow.

In addition, the club will stage six-prize Quintuple White Bird Shoots, as well as four-prize triple, and three-prize double White Bird Shoots.

Winner "take all" contests will be included on the day's card, for hot shots who like to shoot against tough competition. Fun type Protection and Annie Oakley Shoots will fill out the program. These latter two events are scheduled to go off after 3 p.m.

Hot refreshments, shells and warm watching seats will be on tap all day in the heated club house.

Shooting starts at 11 a.m. and continues until dark. The McHenry Sportsmen's Club is on the west side of Pistakee Bay.

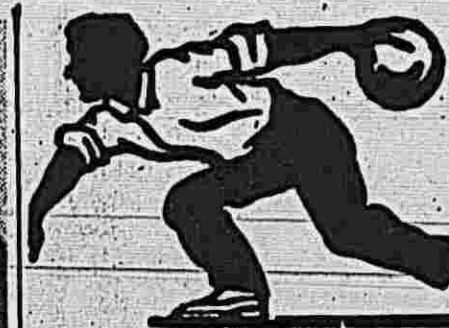

New Device Keeps Bowling Score

Before too long, bowlers may not have to keep score as they bowl. Brunswick has developed an automatic scorer which will count the pin fall and record your score automatically.

The scorer is connected to the automatic pin setting device. It should do away with the chance of error and will relieve team captains of the necessity of keeping score.

SAFE WALKING RULES

Last year in Illinois 11,082 pedestrians were struck by motor vehicles in traffic. Of these, 426 persons on foot in traffic were killed when they were struck by motor vehicles. If everyone who walks or drives would follow common-sense rules, this tragic loss could be substantially reduced. Remember, obedience to traffic laws may save your life.

Bell, Book, And Candle

All those who saw Bell, Book, and Candle will agree that it was one of the best plays ever put on at ACHS. The suspense of a romance combined with the humor of witches made it a play that really held the interest of the audience. The acting, done by a very small cast, was very good and the scenery showed that many hours had been spent on it. Congratulations to Mr. Corrigan who directed the play, the cast, and all those who helped to make it a success.

the subject to be eligible for the Honor Society.

If you are elected to the Society the first year, it is a probationary one. If you do not meet the requirements, you are dropped.

All of you who are interested and who are taking business courses are urged to keep up your grades so you can become a member.

Successful Parents Day

Antioch Parents' Day was a successful one as the fighting Sequoits beat Grayslake 19-13. Honors at this annual football event go to Ralph Zancck who played a brilliant game and led Antioch to

victory.

Zancck had his hands on the ball a good share of the time. In the third quarter Zancck intercepted a Ram pass and went 55 yds. for our first score of the game. Later in the same period, quarterback Steve Owens hit Zancck with a beautiful pass near the sidelines. Maneuvering his way down field, Ralph put on the speed and gave Antioch a stronger lead.

New In Office

Mrs. Joy Howes is new to the student personnel office this year. Her bright, smiling face and friendly laugh are a nice addition to our school. Mrs. Howes is married and has a four and a half year old son, Haight. She previously lived in Waukegan but now resides in Lake Villa with her husband Bob and her son.

Her hobbies include bowling, laughing and talking. She was graduated from Wilmet High School in 1977.

When asked what she thinks of the people she works with she said, "I can't get over how hard all the monitors do their jobs, especially all those hard working football players!"

Welcome to Antioch, Mrs. Howes.

The Sequoits got their last T.D. with 5:33 left in the game. Owens, putting the ball in the air again, hit Fred Koch for a T.D. pass. Only one P.A.T. attempt was good.

Grayslake managed to score the first T.D. on a long pass downfield at the end of the 3rd quarter. Their P.A.T. kick was good, giving them a 7-6 lead over Antioch; until Zancck went for his 2nd T.D., that is. They scored again with 38 seconds left in the game. Antioch fumbled the ball near the goal and the next play the Rams went over the line. The P.A.T. attempt was no good and at "the sound of the gun" Antioch was victorious 19-13.

Thanks should go to the whole squad and the parents, too!

Council At Work

With Homecoming out of the way the Student Council is now starting on many new projects.

Today's Thanksgiving Program was planned and carried out by the Council.

The Student Lounge will be opened, hopefully, on December 1. Due to vandalism of the ping-pong and shuffleboard equipment during the summer, many new things had to be purchased. They are planning to have a pop machine and candy machine, as well as a record player this year.

Red Badge of Courage will be the Student Council sponsored movie this year. The charge to each student will be 25c, and it will be shown on December 8.

Early in January the Student Council will sponsor a drive for the March of Dimes. This seems a very good cause and all volunteers to collect in Antioch, Lake Villa, or Lindenhurst will be appreciated.

Wrestling

The ACHS matmen are ready for action. Coach Hauptman is at the varsity level this year through the loss of Mr. Bill Neuman. Coach DeRouse will be sophomore coach and Mr. Erdmann will coach freshmen.

It should be a great season with returning lettermen Will Wells, a Junior and a state qualifier, Mike Wells, a senior, Terry Triplett, a sophomore and District champ, Charles Diemer, a sophomore, and Bob Diemer, a senior.

Practice started Wednesday, Nov. 10, and the first meet will be tonight at Zion, starting at 6:30 p.m. Coaches Hauptman, Erdmann, and DeRouse are looking forward to a winning season and the boys are, too. Good luck to the ACHS wrestling teams.

We have many great wrestlers whose only need is the support of all their fans.

All-Conference, while Walls and Whitson went on to earn All-County honors.

"I feel we'll be in the thick of things," said Coach Andrews. "This year we have to depend on speed rather than height."

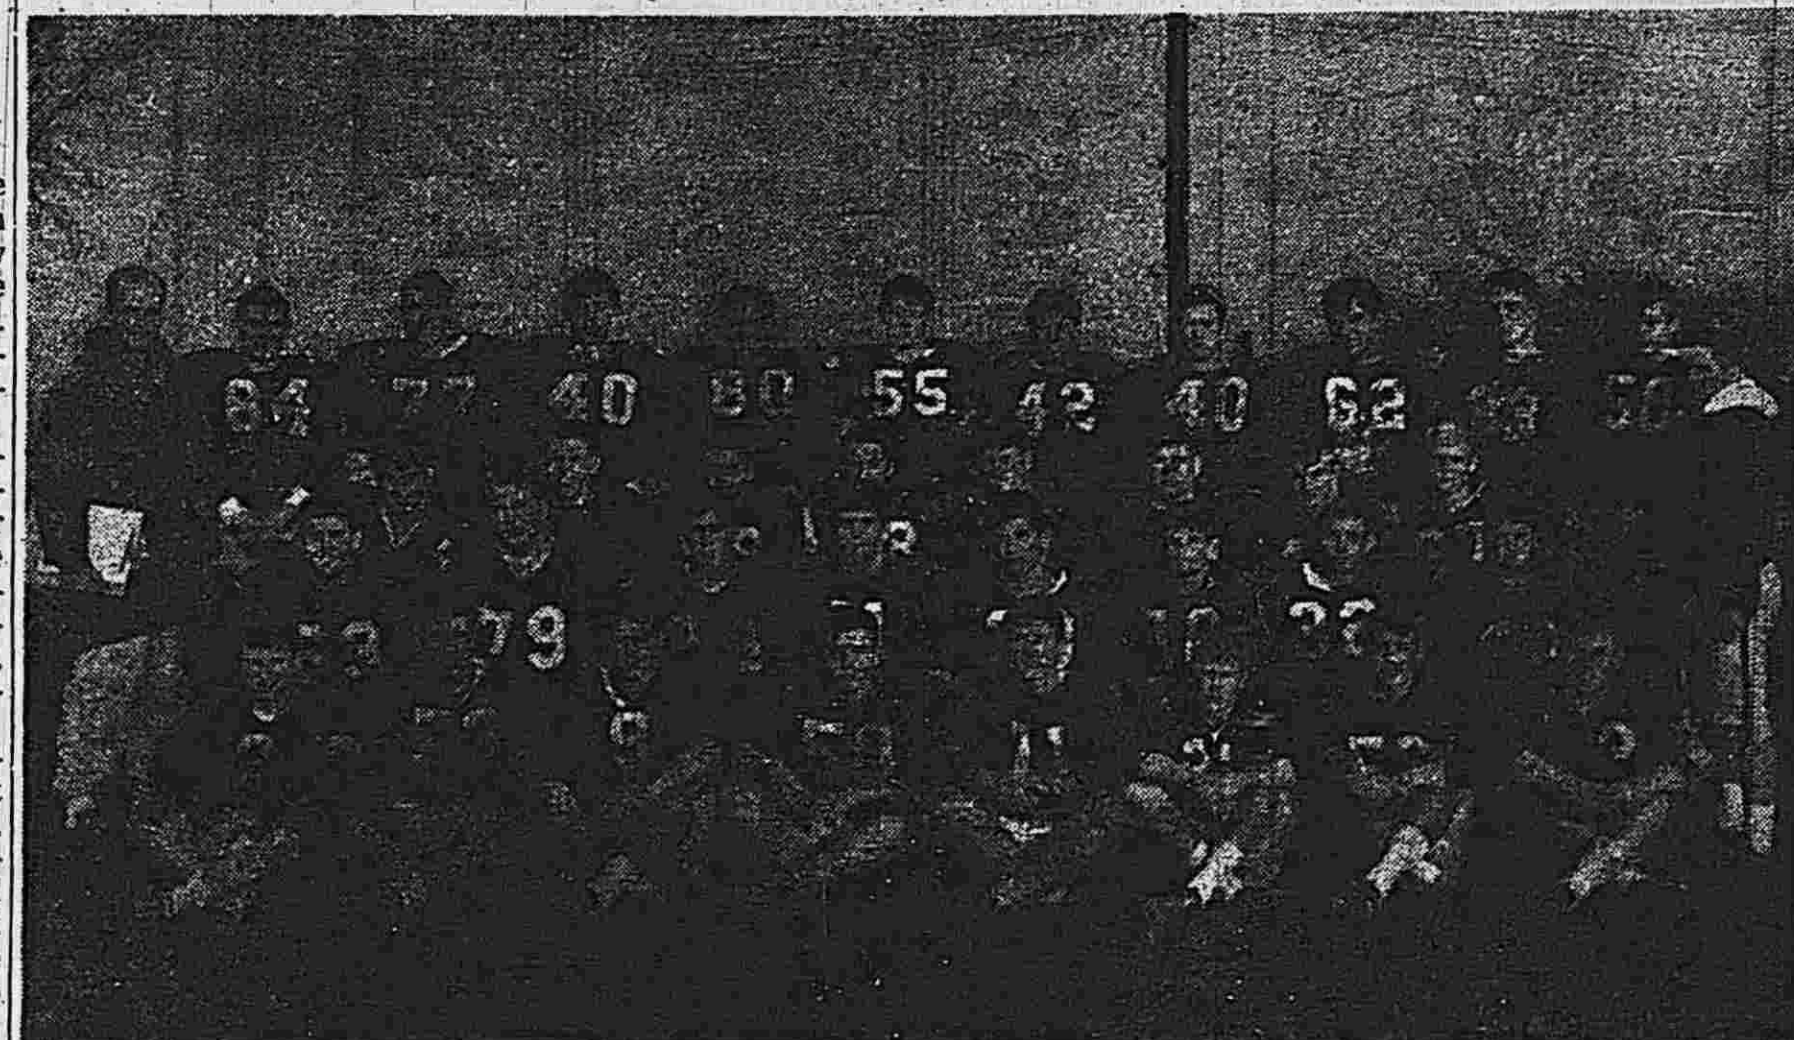

On Saturday, Nov. 18, the fighting Sequoits traveled to McHenry to face the Warriors in the season opener. Tonight they face the Salem Central Falcons here at 8:00 p.m. Let's show the team we're behind them all the way.

Successful Grid Season

The Antioch Sequoits ended their '67 football season Saturday, Nov. 4, as they faced the Round Lake Panthers in the final game of the year. Neither team could up-end the other and the final score found both squads with 14 points.

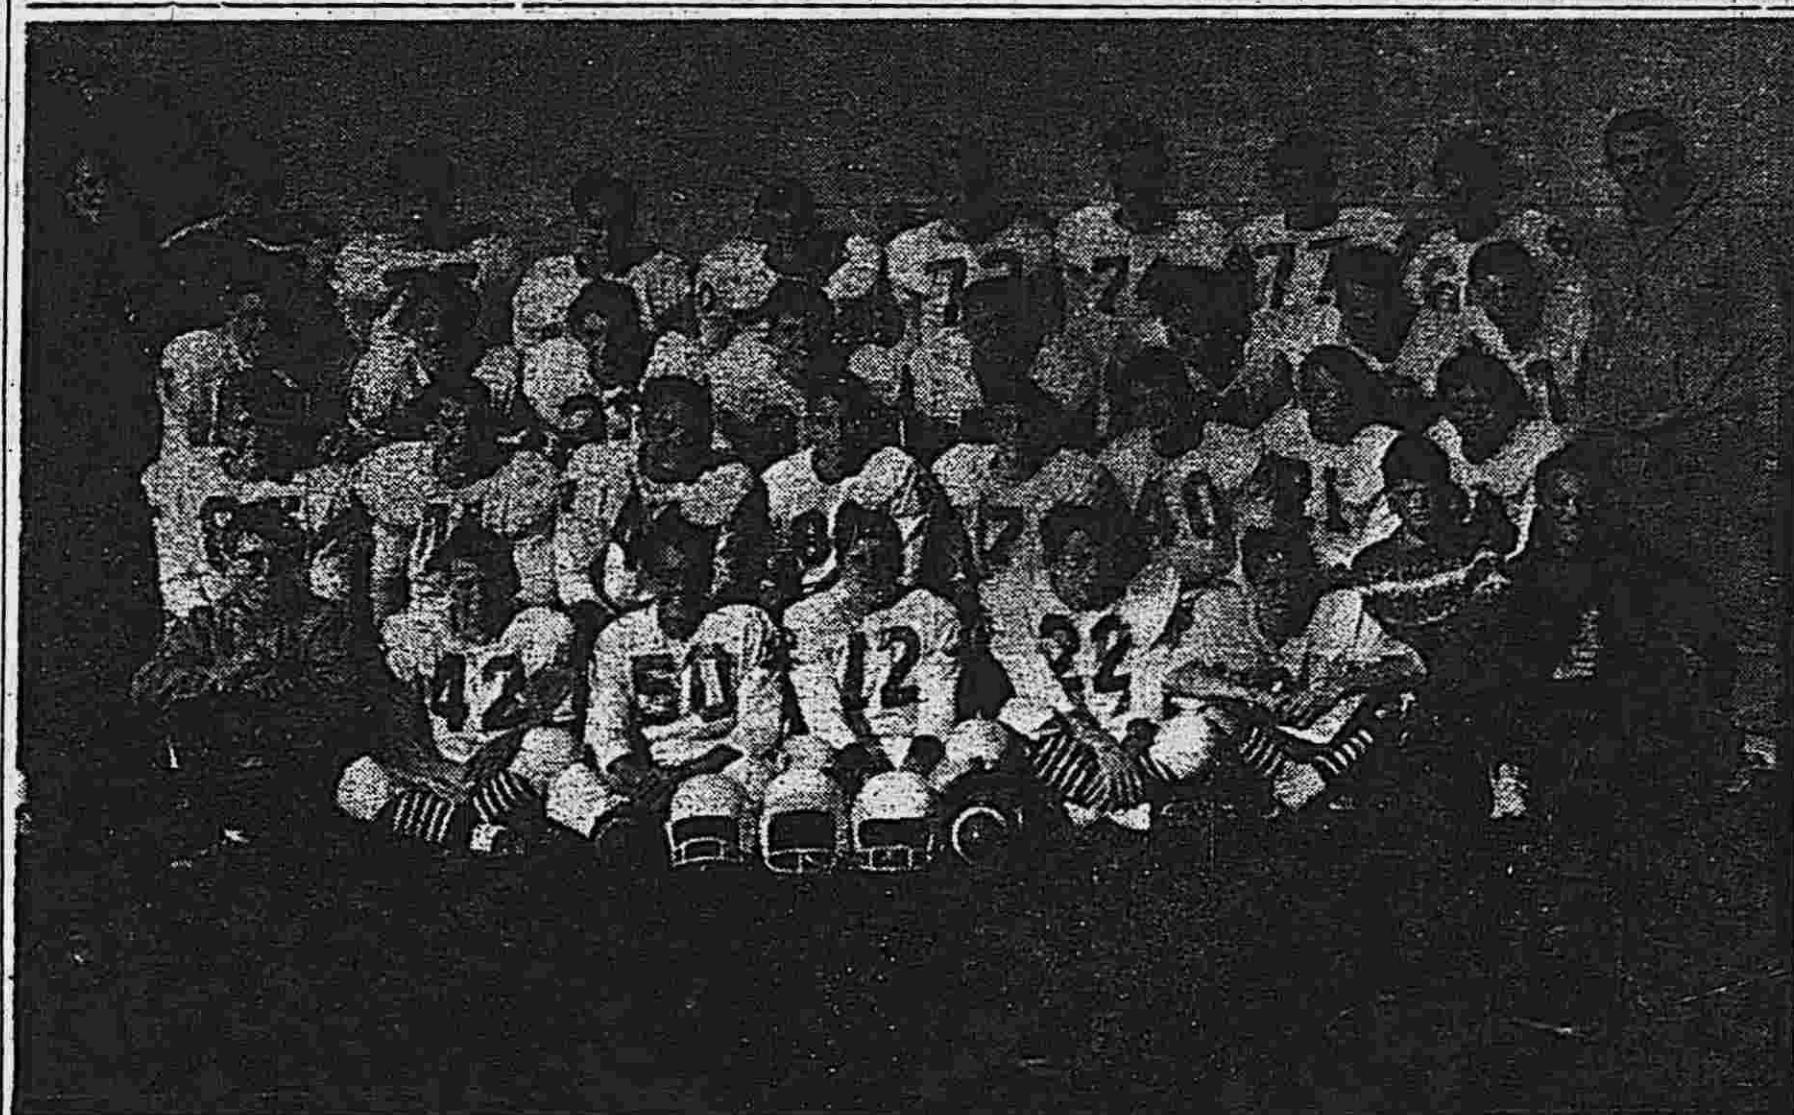

Antioch started out hot on that cold day. Only a few plays after the kick-off, the Sequoits earned a T.D. Quarterback Steve Owens handed off to Larry Davis who found room to run and went over the line. Effinger's kick for the P.A.T. was good, giving Antioch a 7-0 lead.

The Panthers retaliated with a T.D. pass with 4 minutes 11 seconds left in the 1st quarter. Their fake kick and pass was good for the P.A.T., making the score 7-7. In the second quarter, the Panthers scored again, this time from the one-yard line

and made the P.A.T. good, giving Round Lake the lead, 14-7.

Later in the same quarter, Dave Camp received a pass on the sidelines from Steve Owens and made a sensational downfield run of 65 yards. Effinger's P.A.T. kick was successful, tying the

score at 14-14. From then on neither squad could find the goal line and the game ended in a tie. Thanks should go to Coach Nelson and Mr. Erdmann and their boys for the good season, coming in 3rd with a 4-2-1 record. The boys who made sacrifices and continued good play through the season were Joe Pass, Dan Carlson, Dave Camp, Larry Smith, Mike Mazer, Mike Ryan, Don Effinger, Fred Wells, Gregg Drije, Larry Davis, Bill Blecke, Tony Barnett, Carl Jennrich, Bill Tumminello, Don Gaa, Danny Revell, Duane Fowle, Bob Pleviak, Tom Nickerson, Deimer, Al Channel, Dave Mike Patterson, Bill Dow, Blagg and Frank Zeman. Juniors on the squad were Steve Tim Wells and Jay Horton.

Many music lovers heard the Fall Concert of the Antioch Community High School Band Friday night.

Thanksgiving

When was the last time you sat down and thought about all the things you had to be thankful for? Was it last Thanksgiving or even farther back than that? At this time of the year we are all reminded to be thankful for our families, our country, and the bounty of food we have to eat. But there are many other things around us that we may forget to be thankful for on this Thanksgiving Day. How about...

...that prospective basketball team you are looking forward to watching this season?

...the great football teams you were so proud of?

...that teacher that was going to give you a "D", and was nice enough to give you a "C" when you told him your parents would kill you if you brought home a "D"?

...the blessing of having language lab only one day a week?

...having the boy's washrooms unlocked?

...getting out early today and have two days off besides?

...that nice Thanksgiving program the Student Council put on today?

...being glad nobody ever started the tradition of buying Thanksgiving Day presents?

...the start of Christmas vacation in a month?

Of course, we all have our own personal things to be thankful for, such as finally passing a driver's test after flunking twice, passing a History test, or finally getting a date with that "certain boy or girl."

We, also, must keep in mind the many serious things around us that we take so much for granted. God has blessed us all, without exception, and this is the time when ALL of us should give our thanks.

Prominent Pre-Grad

Mary Ellen Osmond is planning to go to college in hopes of becoming a teacher. She wants to specialize in high school Speech and Social Studies. Mary Ellen plans to attend Western Illinois University in Macomb. She chose Western because it is a relatively small school offering just what she wants to major in.

Mary Ellen enjoys riding bikes and walking, as well as talking.

Her advice to freshmen is — "Be yourself and enjoy high school while you are here because you're out faster than you realize."

Right now Mary Ellen is president of G.A.A., captain of Color Guard, and a member of the G.A.A. All Star Team. She is also a class officer.

Basketball Outlook

Last year the Fighting Sequoits captured the conference crown, while boasting a 14-0 record. This year Antioch has three returning lettermen, Steve Miklautsch 6' 1", Joel Srahan 6' 2", and Bill Smith 6' 3". Some of the other promising seniors are Gregg Drije, Tony Barnett, and Bill Blecke.

Coach Roger Andrews thinks he will have to rely on the up and coming juniors to fill the gaps in the line-up. Rodney Boswell 6' 4" and Dave Camp 5' 10" will probably see some of the action out of the J-V's.

It is most unlikely that Antioch will see another season like they had last year, due to the fact of losing Tyrone Walls, Jerry Whitson, and Don Zeman. All three made (Continued on page four)

Sequoits Win Opener

The Fighting Sequoits opened the 1967-68 basketball season with a 67-62 triumph over the McHenry Warriors in a non-league game.

In the first quarter Antioch held a one point lead 17-16, but by the end of the half the Sequoits increased this to a five point margin 33-28 and 52-45 at the end of three quarters. The final score being 67-62.

Steve Miklautsch and Dave Camp paced the Sequoits' scoring attack with 25 and 14 points respectively. Bill Smith and Rod Boswell were the big men under the board with both grabbing 8 rebounds each. Here's how the scoring went:

Fall Band Concert

This year's Fall Band Concert provided, as usual, a most enjoyable way to spend a Friday evening. Antioch's award winning band played to a large receptive audience. The program consisted of 12 numbers, which proved to be the best variation of music presented in some time.

Friday night's guest conductor was Mr. Dan Hanna, director of bands at DePauw University. His appearance was an added pleasure for Mr. Rush, as he did his undergraduate study under Mr. Hanna at DePauw.

The second guest was a harp soloist, Miss Carmen Balcom, who presented two very enjoyable numbers, the first of which was accompan-

like a chicken. Dale Dvorak: I'd start a turkey rebellion.

Tom Martin: I'd paint my gobbles black and make like a peacock.

Mary Lou Muller: I'd pluck my feathers and play dead.

Diane Crandall: I'd advertise for a chicken corporation.

Dianne Hunt: I'd stick my head in the ground and ruffle my feathers like a Sequoit headdress.

Erv Nevitt: I'd hide the gun.

Linda Herman: I'd scream.

Turkey's VS Farmer Brown

TURKEYS vs. FARMER BROWN... Charge: Turkeys charge Farmer Brown with turkey-slaughter.

The barn was dark and dusky and the lights were dim. The turkeys were holding their own trial — a turkey court. The defense attorney, Jim Shore, paced the floor, while the prosecuting attorney, Karl Jennrich, sat calmly in his seat. The turkeys' spokesman was Jerry Martin.

The jury consisted of turkeys: Janet Meyer, Dan Haley, Gain Bonner, John Prosise, Jim Carlson, Mary Lulofs, Donna Harvey, Jeff Sterbenz, Jim Weiss, Marty Romane, Bill Hagstrom, and Dawn Ellis. The first witness for the defense was Col-

ied by the band. Bravo to Steve Strang for a mighty fine tuba solo.

leen Gross, but the key witness was Bill Hansen. Bill was the farm hand at the farm of Farmer Brown.

The prosecutor's key witness was Mike Polley. He testified that Farmer Brown was slaughtering the turkeys.

Judge McConahay then told the jury to enter the chambers and reach a verdict. There was a 15 minute recess and the jury reached its verdict. The verdict was to kill Farmer Brown. There was much excitement in the courtroom from the turkeys. The two policemen, Bill Nader and Ralph Zanck, escorted Farmer Brown out of the courtroom. Farmer Brown's wife, Carla Bartlett Brown, and her children left the courtroom in tears. There was a great celebration among the turkeys and they had the best Thanksgiving ever.

BACKED UP SEWERS POSE HEALTH HAZARDS

If your basement sewer backs up or your home is hit by a flood, there are four main health problems to look for when you begin the task of cleaning up.

The dangers are infections, contaminated drinking water, spoiled food and electrical hazards in water.

INFECTION—When sewers back up there will undoubtedly be infectious germs left on walls and floor after waters have drained. If not destroyed these germs could be very hazardous to children, pets and adults. To lessen danger from these infectious microorganisms wash the basement with a solution containing hot water, a strong detergent and disinfectant.

CONTAMINATION—When water lines are broken or your well is submerged, don't drink the water until steps are taken to insure its safety. If in doubt about the quality of the water, boil it before you use it for cooking, drinking or dishwashing.

In the event water lines are broken, continue to boil all water until the break is repaired and local health authorities tell you it's safe to drink it straight from the tap again. Wells affected by floods should also be treated with caution.

Another potential danger of backed up sewers and flood water, exposure of food stored in the basement.

Foods or food containers that should be destroyed if touched by contaminated waters are fresh fruits and vegetables, foods in cardboard containers, bags, screw top containers and bottles, and meats.

Canned foods in sealed containers can be recovered if they are thoroughly washed and disinfected. Remove the labels and discard, but keep a record of the contents of each can.

SPOILAGE—If electric power is cut off in a flood, all foods, in refrigerators should be regarded with suspicion after 24 hours. Tightly sealed freezers will keep food for up to 48 hours.

ELECTRICITY—Electrical equipment in a flooded basement can lead to electrocution if care is not taken. Turn off the master power switch before entering a water filled basement.

If the master control is in the basement use a dry wooden stick to turn the master power switch off before entering.

CLOTHING DYES AND ALLERGY

If a friend literally offers you the shirt off his back, don't take it—you may be allergic to it.

Since man has worn clothing, he has been plagued with itching skin, rashes and other symptoms of sensitivity to clothing.

Reactions to such varied things as nylon stockings, bedsheets, dresses, leather gloves, fur collars, clothing stored in moth balls, watchbands and wedding rings have been reported.

Actually, the allergic reaction in most cases is not to the material of the clothing, but to the dye used to color it. The dye is released from the material through the body's moisture, heat and oil and enters the skin through hair follicles and glands.

When a material causes an itching rash, the condition is called contact dermatitis. Usually the rash develops only in areas touched by the offender, but it can spread.

Symptoms of contact dermatitis include eruptions resembling blisters or dry and scaly sores, itching, redness, and sometimes swelling.

Warn that Baby Turtles Often Have Salmonella

A recent report from the Illinois Department of Public Health warned that baby turtles are frequently infected with salmonella.

Dr. Franklin D. Yoder, director of the Illinois Department of Public Health, said that "studies in this and other laboratories in recent years have clearly established that salmonella infection rate in randomly selected pet turtles may range as high as 40 to 70 per cent."

Thousands of baby turtles are sold each day in this country. Turtles are popular as pets for children because they can be kept in small containers, make no noise, will not bite, require little food, and are not barred from large apartment buildings. They are popular as a classroom pet in the elementary grades. Turtles are frequently handled by children who, as a group, are not careful in their sanitary habits. Children are more susceptible to salmonellosis than adults and their infections are more severe. Older

adults with pre-existing intestinal disorders are also more likely to be seriously affected.

In reported cases, one of the following means of spread was involved—children in the "hands to mouth" stage had handled the turtle; turtle water had been dumped in the kitchen sink; or the turtles had been placed in dishes later used for food. As yet, there is no effective method of decontaminating turtles. However, the following recommendations are applicable and urged by the Department of Public Health.

Children should not be allowed to handle turtles un-

less they are responsible enough to wash their hands following this contact.

Turtle water should not be discharged into the kitchen sink or allowed to contaminate the food preparation area.

A special container should be designated as the turtle dish and it should be used for nothing else.

Only one person who is careful to wash his hands should care for the turtle.

Other household pets should be prevented from drinking water from the turtle dish.

MISERY IS...

Misery is getting a tomato seed under your bottom plate while dining out.

Misery is smashing into the rear end of a car that stops suddenly in front of you just after your wife has been complaining about your following too closely.

Misery is having your brilliant offspring act like an imbecile when you're trying to show him off to old friends.

Misery is pulling out of the dealer's lot with a new car and having an old junk ram into your fender.

Misery is discovering the car you've just passed at 80 miles an hour is an unmarked police car.

Misery is having your mother-in-law drop in when you're deep in "Valley of the Dolls" and the housework is undone and the kids are a mess.

a college should be located where the students and the teachers are. Now it is proposed to search for the area which has least interest in education, fewest students and greatest scarcity of teachers. This would not be the first time that state institutions have been used as

aid to depressed areas, but the adoption of this as a permanent philosophy is astonishing.

"Perhaps we, in the 'lost corner' of Illinois should have been forewarned when a school in the 5500 block in

Chicago was titled 'North-eastern Illinois', a clear hint that anything north of there was important only as a fund producer for the others.

"Yes, Virginia, there is a Lake County and a McHenry County, with a half-million people who contribute more

to higher education than any other area of 500,000. We are doubly taxed if in addition we must support the clothiers, grocers, and building industry of the rest of the state. Even as it is, we receive better education services from the State of

Wisconsin than from the state which receives our taxes."

The Senator concludes, "I hope that further consideration will prompt the location of tax-supported colleges where the action is, not where the disinterest is."

DEATH NOTICES

JOHN J. SCHAEFFEN

John J. Schaeffen, 88 years old of 225 South Smith, Palatine, passed away at 7:30 a.m. on Friday, Nov. 17, at the Golf Pavilion Nursing Home near Des Plaines after a brief illness. He was born May 17, 1879 in Zurich, Switzerland and came to America at the age of 19 years to reside in Chicago. He then moved to Dodgeville, Wis., where he married Marie Ehen on May 25, 1906. In 1918 they moved to Bassett, Wis., then to Cross Lake, Wis., near Antioch in 1939, to Orlando, Florida in 1949, and to Palatine, Ill., in 1964. He was a farmer, and later a butcher for the Antioch Packing House for several years. He was preceded in death by his wife Marie on April 6, 1951, and one son Elmer in October 1965.

Survivors are four sons, John, Jr., Wilmet, Wis., Ernest, Salem, Wis.; William, Burlington, Wis.; and Bernard Schaeffen, Trevor, Wis.; three daughters, Mrs. Frieda (Leonard) Lawrence, Palatine; Mrs. Florence (Douglas) Winge, Chicago, and Mrs. (Roy) Dyer, Chicago; 14 grandchildren and 20 great-grandchildren.

Funeral services were held at 1:30 p.m. Monday at the Strang Funeral Home in Antioch. The Rev. Alvin Pinke of Christ Lutheran Church at Paddock Lake officiated. Interment was in Union Ridge Cemetery, Chicago.

HENRY F. LANGE

Henry F. Lange, 68 years old of Beach Grove Road on Bluff Lake near Antioch passed away Friday, Nov. 17th, at his home suddenly from a heart attack. He was born Nov. 4, 1899 in Chicago, where he resided until moving to Antioch permanently one year ago, but had been coming out here for several years previously. He had formerly operated a wholesale florist business in Chicago.

He is survived by his wife, Margaret, his mother, Mrs. Emma Lange, three brothers, John, (Hilda) Lange, August (Laura) Lange, and Paul (Clara) Lange.

Funeral services were held at 1 p.m. Tuesday at Faith Ev. Church in Antioch. Pastor David Ponath of that church officiated. Interment was in Union Ridge Cemetery in Chicago. Friends were able to call at the Matz Funeral Home, 3440 North Central Ave. in Chicago on Saturday and Sunday. He then lay in state at the Strang Funeral Home at Antioch from 2:00 p.m. Monday, until 11:00 a.m. on Tuesday, when he was taken to the church to lay in state from noon until service time at 1:00 p.m. Tuesday.

ALBERT R. ZIESKE

Albert R. Zieske, 73 years old of Cross Lake near Antioch passed away on 10:15 a.m. on Sunday, Nov. 19th, at his home suddenly from a heart attack. He was born Dec. 12, 1893 in Muskegon, Michigan, and moved to Chippewa Falls, Wis., then to Madison where he graduated from the University of Wisconsin as a chemical engineer. He had worked as a chemical engineer at Gary, Indiana, in the Steel Mills, at U. S. Beet Sugar Company in Madison, Wis., and later in Huntington, West Virginia, N.J., before becoming President of Loeb Equipment Co. in 1930 at Chicago, where he worked until his retirement Sept. 1, 1957. He has since been a consulting engineer for Acme Equipment Co. for the past 5 years. He married Helen Crook on June 22, 1927, at Huntington, West Virginia.

Survivors are his wife, Helen, three sisters, Mrs. Alma (Herbert) Brynson, Chippewa Falls, Wis., Mrs. Adelaide (H. P.) Taylor, Milwaukee, Wis.

He rested at the Strang Funeral Home from 6:00 p.m. until 10:00 p.m. on Monday only, then at the Fitch-Lawrence Funeral Home at 626 University Ave., in Madison, Wis., from 2:00 p.m. on Tuesday until services at the funeral home at 1:30 p.m. on Wednesday. Interment was in Forest Hill Cemetery at Madison, Wis.

something for "Harry the Hacker"

Lots of us are known as, "Harry the Hacker," because of what we do to a Thanksgiving Turkey.

The secret to classic carving is a very sharp, thin-bladed knife. Allow bird to sit in roasting pan 15 to 30 minutes. It will slice cleaner and the juices will be absorbed, too. Follow these simple directions:

1. Cut off leg by drawing knife deeply between leg and body through hip joint. Press leg away from body and remove.

2. Before slicing breast, make a deep horizontal cut to bone in breast, just above the wing.

3. Beginning about halfway up breast, slice downward with straight even strokes until slices fall free at cut.

4. Cut off wing through shoulder joint. Cut off wing tip. When one side is clean, turn platter and carve other side.

If your Harry's a Hacker, cut this out and put it with his Carving Knife. One final thing you can do for "Harry" ... buy your turkey at A&P.

Our Super-Right Turkeys are all Grade "A" birds. Harry will carve such beautiful slices you'll want to rechristen him, "Sam the Surgeon."

IN CASE YOU HAVEN'T HEARD...

**NEW
FRONT
MICROPHONE**

Front "port" aims where you are looking. Emphasizes sounds in front of you.

**NEW
REAR
OPENING**

Identifies sounds in back in proper relation to their importance.

The "Director" combines tiny, Micro-Lithic circuitry from space-age technology, using principle of sound wave guidance, to bring you a truly remarkable new hearing experience. Our smallest behind-the-ear model weighing only 1/4 ounce. Try it—in case you haven't heard.

Smoked Cheese Bar

A wonderful gift for family and friends. Smoky is a blend of cheddar and swiss cheese — hickory smoked to give a delicious smoky flavor. You eat rind and all. Smoky was awarded a Gold Medal in 1966 for consumer acceptability at the California State Fair.

2 1/4 Pound Bar

Deluxe Barn

Big Barn Box . . . Four 2 ounce imported cheese spreads: 8 ounce Edam Bar, box of Hickory Farms Swedish Pancake Mix, 8 ounce bottle of Blueberry Syrup, and two 4 ounce links of cheese spreads — one Port Wine and the other Garlic flavored. The recipient will say, "Let the child have the barn. Let's try some of these things right away!"

Midnight Special

The "bewitching hour" can be even more enjoyable when these delicious foods are introduced. This very popular gift features a 1 1/4 pound Beef Stick Shortie, 8 ounce half moon of aged Longhorn Cheddar, a 12 ounce chunk of aged Blue Ribbon Swiss and a 5 1/2 ounce Smoky (smoked cheese bar). Bright imported candies add sparkle to the gift box.

Wheel of Cheese

Another favorite from the Hickory Farms group of superb cheeses. This is a five pound wheel of aged mouthwatering Cheddar Cheese, sealed in its own red wax coat. A tasty gift that will long be remembered.

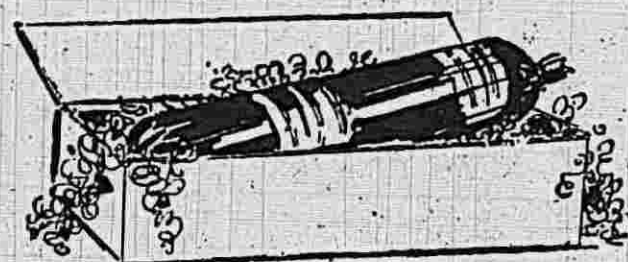

\$7.69

STORE PRICE

Beef Stick

The most popular item sold by Hickory Farms is BEEF STICK an all-beef, hickory smoked summer sausage. It has a mild, yet distinctive flavor . . . the result of a special process of curing . . . which allows the hickory smoke to permeate the ground lean chuck and flank beef. BEEF STICK is a great favorite with the entire family.

Four Pounds **\$6.98** STORE PRICE

Crocks-O-Goodness

Those on your gift list, as well as your own family, will respond with enthusiasm to our delicious Cheese Spreads — Port Wine Cheddar, Brandy Cheddar and the ever popular Sharp Cheddar — packed individually in 12 ounce reusable brown stone crocks.
